PPE & Personnel Safety

The main requirement of 'PPE at Work' regulations is that protective equipment is supplied and used whenever there are risks to health and safety at work that can be adequately controlled.

Our range of PPE Safety Signs have been designed to make employees aware of their own responsibility to wear PPE appropriately.

All of our safety signs meet relevant regulations to help employers meet their legal obligations in the workplace.

Fire Safety

Fire safety equipment, emergency escape and fire assembly point signs are just some of the mandatory signs that need to be displayed in all workplaces in the UK.

These signs are used to clearly highlight procedures in the event of an emergency.

All of our safety signs meet relevant regulations to help employers meet their legal obligations in the workplace.
